d. JP 2003-89102: The relevance of this document can be understood from the International Search Report, the English language abstract attached thereto, and the figures therein.

e. JP 2002-1678: The relevance of this document can be understood from the International Search Report, the English language abstract attached thereto, and the figures therein.

f. JP 57-102301: The relevance of this document can be understood from the International Search Report and the figures therein.

g. JP 56-7845: The relevance of this document can be understood from the International Search Report and the figures therein.

h. JP 2000-127062: The relevance of this document can be understood from the International Search Report, the English language abstract attached thereto, and the figures therein.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If it should be determined that the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 50-0310.

Respectfully submitted,
